Dear Supervisors:

**ISSUANCE AND SALE OF HACIENDA LA PUENTE UNIFIED SCHOOL DISTRICT
(COUNTY OF LOS ANGELES, CALIFORNIA)
GENERAL OBLIGATION BONDS, 2000 ELECTION, SERIES B 2003
(FIRST DISTRICT) (3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Resolution authorizing the issuance and sale of General Obligation Bonds of the Hacienda La Puente Unified School District in an amount not to exceed \$60,000,101.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On August 21, 2003, the Governing Board of the Hacienda La Puente Unified School District adopted a Resolution determining that the District needs to borrow funds in an aggregate principal amount not to exceed \$60,000,101 to be used for authorized purposes.

On June 6, 2000, an election was held whereby qualified voters of the District approved the proposition authorizing the District to issue \$100,000,000 in general obligation bonds to finance the construction and improvement of school facilities. This is the second issuance of bonds authorized under this bond measure. The prior series was issued in the aggregate principal amount of \$39,999,899.

Pursuant to Section 15140 of the Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such school district by the Board of Supervisors of the County following receipt of the district resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal of Service Excellence by providing seamless, one-stop service delivery to the school district. It supports the Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. And, it supports the Strategic Plan Goal of Fiscal Responsibility by providing investment in and development of public school infrastructure in this County.

FISCAL IMPACT/FINANCING

None to the County. All debt will be paid by the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution provides for issuance of General Obligation Bonds at an interest rate not to exceed a true interest cost of 6%. The final structure will be determined at the time of pricing to achieve the lowest cost of financing within the limits of the proposition's tax levy. The term of the bonds will not exceed twenty-five years. Provisions for optional redemption of the bonds will be described in the Contract of Purchase.

The Resolution provides for the negotiated sale of the bonds, with participation by the Treasurer and Tax Collector in pricing of the bonds, to the Underwriters. The District has selected George K. Baum & Company as Underwriter; the firm of Orrick, Herrington & Sutcliffe LLP as Bond Counsel; and U.S. Bank Trust National Association as Paying Agent.

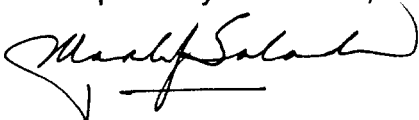

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

The Honorable Board of Supervisors

Unless otherwise specified in the Bond Purchase Contract, the Capital Appreciation Series B Bonds shall not be subject to optional redemption prior to their stated maturity dates.

(b) *Mandatory Sinking Fund Redemption.* The Current Interest Series B Bonds, if any, which are designated in the Bond Purchase Contract as Current Interest Series B Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Contract. The principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Current Interest Series B Bonds of that maturity optionally redeemed in accordance with the provisions hereof prior to the mandatory sinking fund payment date. The Bond Purchase Contract may provide that the Current Interest Series B Bonds shall not be subject to mandatory sinking fund redemption.

The Capital Appreciation Series B Bonds, if any, which are designated in the Bond Purchase Contract as Capital Appreciation Series B Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Contract. The amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Capital Appreciation Series B Bonds of that maturity optionally redeemed in accordance with the provisions hereof prior to the mandatory sinking fund payment date. The Bond Purchase Contract may provide that the Capital Appreciation Series B Bonds shall not be subject to mandatory sinking fund redemption.

(c) *Notice of Redemption.* Notice of any redemption of the Series B Bonds shall be mailed by the Paying Agent, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, (ii) by certified, registered or overnight mail at least one business day before the mailing of notices to the Owners, to the Securities Depositories, (iii) by certified, registered or overnight mail at the time of the mailing to the Owners, to the Information Services, and (iv) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall contain all of the following information:

- (i) the date of such notice;
- (ii) the name of the Series B Bonds and the date of issue of the Series B Bonds;
- (iii) the redemption date;

- (iv) the redemption price;
- (v) the dates of maturity of the Series B Bonds to be redeemed;
- (vi) if less than all of the Series B Bonds of any maturity are to be redeemed, the distinctive numbers of the Series B Bonds of each maturity to be redeemed;
- (vii) in the case of Series B Bonds redeemed in part only, the respective portions of the principal amount of the Series B Bonds of each maturity to be redeemed;
- (viii) the CUSIP number, if any, of each maturity of Series B Bonds to be redeemed;
- (ix) a statement that such Series B Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; and
- (x) notice that further interest on such Series B Bonds will not accrue after the designated redemption date.

(d) *Effect of Notice.* A certificate of the Paying Agent that notice of redemption has been given to Owners and to the appropriate Securities Depositories and Information Services as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Series B Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Series B Bonds called for redemption is set aside for the purpose as described in subsection (e) of this Section, the Series B Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Series B Bonds at the place specified in the notice of redemption, such Series B Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Series B Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the interest and sinking fund or the trust fund established for such purpose. All Series B Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(e) *Funds for Redemption.* Prior to or on the redemption date of any Series B Bonds there shall be available in the interest and sinking fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this County Resolution provided, the Series B Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, interest and premium, if any, on the Series B Bonds to be redeemed upon presentation and surrender of such Series B Bonds, provided that all monies in the interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any

interest due on or prior to the redemption date shall be paid from the interest and sinking fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Series B Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the interest and sinking fund of the District or otherwise held in trust for the payment of redemption price of the Series B Bonds, the monies shall be held in or returned or transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(f) *Defeasance of Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid the principal, interest and premium, if any, on the Series B Bonds at the times and in the manner provided herein and in the Series B Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 7 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Series B Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Series B Bonds, but only out of monies on deposit in the interest and sinking fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (g) hereof shall apply in all events.

For purposes of this section, the District may pay and discharge any or all of the Series B Bonds by depositing in trust with the Paying Agent or an escrow agent at or before maturity, money or non-callable direct obligations of the United States of America or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the interest and sinking fund of the District, be fully sufficient to pay and discharge the indebtedness on such Series B Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(g) *Unclaimed Monies.* Any money held in any fund created pursuant to this County Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Series B Bonds and remaining unclaimed for one year after the principal of all of the Series B Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from the fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 9. Paying Agent. (a) *Appointment; Payment of Fees and Expenses.* This Board of Supervisors does hereby consent to and confirm the appointment of the Treasurer to act as the initial Paying Agent for the Series B Bonds. The Treasurer is hereby authorized to contract with any third party to perform the services of Paying Agent under this resolution. All fees and

expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the interest and sinking fund of the District, insofar as permitted by law, including specifically by Section 15232 of the California Education Code, such fees and expenses shall be paid by the District.

(b) *Resignation, Removal and Replacement of Paying Agent.* The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the Treasurer as provided in the Paying Agent's service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$100,000,000 in net assets.

(c) *Principal Corporate Trust Office.* Unless otherwise specifically noted, any reference herein to the Paying Agent shall initially mean the Treasurer and his designated agents or his successors or assigns, acting in the capacity of paying agent, registrar, authenticating agent and transfer agent, and any reference herein to the "principal corporate trust office" of the Paying Agent for purposes of transfer, registration, exchange, payment, and surrender of the Bonds shall initially mean the office of the Treasurer; provided, however, that in any case "Paying Agent" shall refer to any successor paying agent/registrar, authenticating agent or transfer agent for the Bonds, and "principal corporate trust office" shall include the principal corporate trust office or other office of such successor Paying Agent designated thereby for a particular purpose.

(d) *Registration Books.* The Paying Agent will keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Series B Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Series B Bonds as provided in Section 10 and 11 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Series B Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

Section 10. Transfer Under Book-Entry System; Discontinuation of Book-Entry System. (a) DTC is hereby appointed depository for the Series B Bonds. The Series B Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of the Current Interest Series B Bonds, and one bond certificate shall be issued for each maturity of the Capital Appreciation Series B Bonds. Registered ownership of such Series B Bonds, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 11 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the County can be obtained, or (2) a determination by the County (upon consultation with the District) that it is in the best interests of the County to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Series B Bonds by the Paying Agent, together with a written request of the District or County to the Paying Agent, a new Series B Bond for each maturity shall be executed and delivered (in the case of Current Interest Series B Bonds, in the aggregate principal amount of the Current Interest Series B Bonds then outstanding, and in the case of Capital Appreciation Series B Bonds, in the aggregate maturity value of the Capital Appreciation Series B Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District or County. In the case of any transfer pursuant to clause (iii) of subsection (a) of this section, upon receipt of the outstanding Series B Bonds by the Paying Agent together with a written request of the District or County to the Paying Agent, new Series B Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District or County, subject to the limitations of Section 6 and the receipt of such a written request of the District or County, and thereafter, the Series B Bonds shall be transferred pursuant to the provisions set forth in Section 11 of this County Resolution; provided, however, that the Paying Agent shall not be required to deliver such new Series B Bonds within a period of less than 60 days after the receipt of any such written request of the District or County.

(c) In the case of partial redemption or an advance refunding of the Series B Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Series B Bonds indicating the date and amounts of such reduction in principal.

(d) The County, the District and the Paying Agent shall be entitled to treat the person in whose name any Series B Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the County, the District or the Paying Agent; and the County, the District and the Paying Agent shall have no responsibility for transmitting payments to,

communicating with, notifying, or otherwise dealing with any beneficial owners of the Series B Bonds, and neither the County, the District or the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Series B Bonds.

(e) So long as the outstanding Series B Bonds are registered in the name of Cede & Co. or its registered assigns, the District, the County and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Series B Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 11. Transfer and Exchange. (a) *Transfer.* Following the termination or removal of DTC or successor depository pursuant to Section 10 hereof, any Series B Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series B Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Series B Bond or Series B Bonds shall be surrendered for transfer, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5, a new Series B Bond or Series B Bonds, of the same maturity, Interest Payment Date and interest rate (in the case of Current Interest Series B Bonds, for a like aggregate principal amount, and in the case of Capital Appreciation Series B Bonds, for a like aggregate maturity value). The Paying Agent may require the payment by any Owner of Series B Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Series B Bond shall be required to be made by the Paying Agent (1) during the period established by the Paying Agent for selection of the Series B Bonds for redemption, and (2) after any Series B Bond has been selected for redemption.

(b) *Exchange.* The Series B Bonds may be exchanged for Series B Bonds of other authorized denominations of the same maturity and Interest Payment Date, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series B Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Series B Bond or Series B Bonds shall be surrendered for exchange, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5, a new Series B Bond or Series B Bonds of the same maturity and interest payment mode and interest rate (in the case of Current Interest Series B Bonds, for a like aggregate principal amount, and in the case of Capital Appreciation Series B Bonds, for a like aggregate maturity value). The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Series B Bonds shall be required to be made by the Paying Agent (1) during the period established by the Paying Agent for selection of the Series B Bonds for redemption, and (2) after any Series B Bond has been selected for redemption.

Section 12. Sale of Bonds; Bond Purchase Contract. The form of the Bond Purchase Contract submitted to and on file with the Executive Officer-Clerk of this Board of Supervisors providing for the sale by this Board of Supervisors and the purchase by the Underwriter of the Series B Bonds at a purchase price to be set forth therein (which purchase price shall be approved by the Treasurer, this Board of Supervisors hereby expressly delegating to such officer the authority to execute the Bond Purchase Contract on its behalf), is hereby approved; provided, however, that (a) true interest cost for the Series B Bonds shall not be in excess of 6.00%, (b) the interest rate on the Current Interest Series B Bonds shall not exceed the maximum rate permitted by law, (c) the Capital Appreciation Series B Bonds shall accrete in value to their maturity values at a compounded interest rate not to exceed the maximum rate permitted by law, (d) the Series B Bonds may be sold at an original issue premium, (e) the Underwriter's discount for the sale of the Series B Bonds shall be 1.10% of the principal amount of the Series B Bonds plus any costs of issuance the Underwriter contracts to pay, and (f) the Series B Bonds shall otherwise conform to the limitations specified herein.

The Bond Purchase Contract shall recite the aggregate principal amount of the Series B Bonds, and with respect to the Current Interest Series B Bonds, shall recite the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual interest payment dates thereof, and the terms of optional and mandatory sinking fund redemption thereof, if any; and with respect to the Capital Appreciation Series B Bonds, shall recite the date thereof, the initial principal amounts, maturity dates, and maturity values of each maturity thereof, the initial and semiannual Interest Payment Dates thereof, and the terms of optional and mandatory sinking fund redemption thereof, if any.

The Treasurer (or an authorized deputy or delegate of the Treasurer) is hereby authorized and directed to accept the offer of the Underwriter when the offer is satisfactory to the Treasurer, and to execute and deliver the Bond Purchase Contract on behalf of the County in substantially the form now on file with this Board of Supervisors, with such changes therein as shall be approved by the authorized officer of the County executing the same, and such execution shall constitute conclusive evidence of the Treasurer's approval and the Board of Supervisors' approval of any change therein from the form of such Bond Purchase Contract.

Section 13. Deposit and Investment of Proceeds. (a) The proceeds from the sale of the Series B Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District. Any premium (net of any discount) and accrued interest shall be deposited upon receipt in the interest and sinking fund of the District within the County treasury maintained by the County Auditor-Controller. The County makes no assurances regarding the use of the Series B Bond proceeds.

(b) All funds held hereunder shall be invested by the Treasurer pursuant to State law and the investment policy of the County.

(i) At the written request of the District, all or any portion of the building fund of the District may be invested in the Local Agency Investment Fund in the treasury of the State of California.

(ii) At the written request of the District, all or any portion of the building fund of the District may be invested on behalf of the District in investment agreements which comply with the requirements of each rating agency then rating the Series B Bonds necessary in order to maintain the then-current rating on the Series B Bonds.

Section 14. Tax Covenant. The County acknowledges and relies upon the fact that the District has represented and covenanted that it shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Series B Bonds under Section 103 of the Code, and that it will comply with the requirements of the Tax Certificate of the District with respect to the Series B Bonds, to be entered into by the District as of the date of issuance of the Series B Bonds, and further that such representation and covenant shall survive payment in full or defeasance of the Series B Bonds.

Section 15. Continuing Disclosure Certificate. The County acknowledges and relies upon the fact that the District has represented that it shall execute a Continuing Disclosure Certificate containing such covenants of the District as shall be necessary to comply with the requirements of Securities and Exchange Commission Rule 15c2-12. The County acknowledges and relies upon the fact that the District has covenanted that it will comply with and carry out all of the provisions of such Continuing Disclosure Certificate. The District shall function as or cause the appointment of a dissemination agent, who shall perform all duties and obligations of the Dissemination Agent as set forth in the Continuing Disclosure Certificate, and the County shall have no responsibilities either for compliance with the Continuing Disclosure Certificate or for the duties of the Dissemination Agent.

Section 16. Limited Responsibility for Official Statement. Neither the Board of Supervisors nor any officer of the County has prepared or reviewed the Official Statement of the District describing the Series B Bonds, and the Board of Supervisors and the various officers of the County take no responsibility for the contents or distribution thereof; provided, however, that solely with respect to a section contained or to be contained therein describing the County's investment policy, current portfolio holdings, and valuation procedures, as they may relate to funds of the District, the Treasurer is hereby authorized and directed to prepare and review such information for inclusion in the District's Official Statement and in a preliminary Official Statement, and to certify to the District prior to or upon the issuance of the Series B Bonds that the information contained in such section does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading.

On behalf of the Hacienda La Puente Unified School District, County of Los Angeles, State of California (herein called the "District"), the County of Los Angeles (the "County") hereby acknowledges itself obligated to and promises to pay, but only from taxes collected by the County for such purpose pursuant to Section 15250 of the California Education Code, to the registered owner identified above or registered assigns, on the maturity date set forth above or upon prior redemption hereof, the principal sum specified above in lawful money of the United States of America, and to pay interest thereon in like lawful money from the interest payment date next preceding the date of authentication of this bond (unless this bond is authenticated as of a date during the period from the Record Date (as defined herein) next preceding any interest payment date to such interest payment date, inclusive, in which event it shall bear interest from such interest payment date, or unless this bond is authenticated on or before January 15, 2004, in which event it shall bear interest from the date hereof) at the interest rate per annum stated above, payable commencing on February 1, 2004, and thereafter on February 1 and August 1 in each year, until payment of the principal sum.

The County, the District and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, and the County, the District and the Paying Agent shall not be affected by any notice to the contrary.

The Bonds are subject to optional and mandatory sinking fund redemption on the terms and subject to the conditions specified in the County Resolution, and as shown in the attached Redemption Schedule. If this bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.
